Pre-Walk

How to Form a Team

- ☉ Organize a fun group of family and friends
- ☉ Pick a team leader
- ☉ Give your team a name
- ☉ Register your team on-line using our QUICK, EASY & FREE internet fundraising tool – visit www.firstgiving.com/TeenApproach. Once your team is established, you can register each team member or they can register themselves. Team members joining your team after **May 5, 2008** will **not** receive a team t-shirt.
- ☉ Keep track of your team members on the enclosed Team Tracking Form
- ☉ Encourage your team members to create their own fundraising web page and email that page to their friends & family to solicit their support
- ☉ Motivate your team members to collect donations (online and/or on pledge form) from sponsors by keeping in touch with them to see how they're doing. Have them ask their sponsors if their company offers a matching gift program.
- ☉ Remind your team members that they qualify for individual, grand **and** team prizes. See enclosed prize list.
- ☉ Contact your team members a couple of days before the event to complete as much of the enclosed **Team Tracking Form** prior to the Walk as possible.
- ☉ Determine a place and time for your group to meet at the Walk.
